Events 2020

# Our events create and sustain partnerships with senior buy and sell-side decision makers

For over 20 years, Asia events have provided clarity and guidance on the fast-changing landscape of capital, credit and market risk, liquidity, derivatives use and foreign exchange.

Connecting over 8,000 executives, practitioners and academics every year, our Asia portfolio will enable you to discuss best practice with your peers and develop long-term, profitable partnerships with our unparalleled audience of leaders and decision-makers across the buy and sell-side.

# Bespoke event features Unrivalled access to highly targeted, tailored audiences

Smaller, highly targeted roundtable lunches, briefings and training events offer your firm unrivalled access to sought after industry professionals.

Sponsorship and speaking opportunities give you the chance to showcase your expertise in front of your customers and prospects, placing your brand as a market leader

- ▶ Network and build relationships with targeted senior industry professionals at one of our intimate events
- ▶ Talk to, and engage with, highly targeted hand-picked senior decision makers as an exclusive sponsor of a roundtable or as a co-host
- ▶ Be promoted as a leader in your field through innovative and wide-reaching marketing campaigns linked to the event. From social media to digital advertising, your brand's involvement in the event will be shared extensively with our audience.
